

## Edward Waters College Division of Student Success and Engagement Preparation for EWC Student Illness

In preparation for student illness, the DSSE under the leadership of the Vice President or designee will:

- Prepare to isolate and safely transport those who are sick to their home, a designated on-campus quarantine space or to a healthcare facility
- Encourage individuals who are sick to follow CDC guidance for caring for oneself and others who are sick
- Notify local health officials of any case of COVID-19 while maintaining confidentiality in accordance with the Americans with Disabilities Act (ADA)
- Notify those who have had close contact with a person diagnosed with COVID-19 and advise them to stay home and self-monitor for symptoms, and follow CDC guidance if symptoms develop
- Advise individuals who are sick when it would be safe for them to return based on CDC's criteria to discontinue home isolation
- Close off areas used by someone who is sick. Wait >24 hours before cleaning and disinfecting. Ensure safe and correct use and storage of EPA-approved List N disinfectants external icon, including storing products securely away from students.
- Ensure counseling services will be accessible via teleconference health.
- Follow-up with each student to provide support and to facilitate access to other services, as needed.
- Coordinate with the Division of Academic Affairs to support quarantined or isolated students to ensure minimal disruption to their academic progress.
- Coordinate with Division of Finance, Administration, and Business Innovation in the provision of food service delivery to impacted students.
